FROM THE PRESIDENT:

Our thanks to Ray Hathorne, Durell Teague, and Betty Kenamer for an interesting and informative program on the Subtractive Lighting Technique, developed by the late Leon Kenamer. The program was packed with great information about using natural lighting in portraiture. The displays of Leon, Ray, and Durell's prints were illustrative of Leon's technique that can be easily extended to natural lighting of many other still-life subjects.

Our thanks also to Garth Fraser for his expert help in judging the Fences and Gates competition.

People interested in participating in the informal trip to the Smokies on December 5-7 should be making their reservations at the Tally-Ho Inn in Townsend, TN.

Please keep Lee Pratt in your thoughts and prayers. Lee is recovering from Bell's Palsy that will slow him down for several weeks.

Collage Assistance

A church in Huntsville has contacted us to inquire if a member would be able to assist them in creating a collage of prints of members of the congregation that are infirm. The Visitation and Publicity committees of the church would like to have someone recommend and demonstrate techniques and materials for creating a poster board collage of 25-30 prints. The church will pay for materials, they just need someone to show them how to do it. If you think you'd like to help, contact T.J. Bridges at 256-859-4822 Joe Boyd
