FROM THE PRESIDENT:

June has arrived clear and beautiful, a welcome reprieve from the May monsoon. Our congratulations to all the winners in the Photo Shoot Out, and our thanks to all the entrants for providing us with some wonderful views of Huntsville.

We had a fun and insightful Oops competition in May. Our gratitude to Frances Robb for providing an insightful and educational appraisal of the images in the competition. We're very lucky to have such eloquent and experienced judges participate in our competitions.

Sheila has lined up another neat program for June 9, and has some exciting news about a photo field trip in November. Hope you've been keeping your shadows open looking for backlit subjects for June 23!

Keep Shooting! Joe Boyd

FROM THE VICE PRESIDENT:

Greetings All! Thanks to everyone who participated in the shoot-out. I hope those of you who shot slide film for the first time will make slides more of a part of your photography in the future. Go by and say Hi to Scott and his staff at Commercial Images and thanke them for sponsoring this year's shoot-out!

Our program presenter for June is Harold Stinnette. Harold is a renown nature/travel and wildlife photographer as well as having owned a portrait studio where he and his wife worked together.

Harold will present all new slides and prints not shown anywhere else this year to our group. The images will cover Tennessee, Colorado and other places taken visited just this spring. He will cover lighting techniques, films used, composition and a whole lot more. You do not want to miss this program!!

Congratulations to those members who placed in the Botanical Garden Competition! Great Job!

Congratulations to Jeannie Webster for passing her National Photographers Consultant Exam. I saw the book she had to study and this could not have been a easy task... But she passed with a score of 90!! If you have a question about photography... Give her a Yell...

Those who attended the Wheeler trip with Bill Gates said they had a really good time! Thanks for your time Bill.

We are looking for someone to lead the next road-trip so if you have a place close by in mind let me know... We will set a date and let you lead the way.

Next Meeting: June 9, 2003

Topic: Harold Stinnette: Nature/travel and wildlife slide-show, lighting techniques, film usage and composition.

Next Competition: June 23, 2003

HPS LOGO ON YOUR JACKET/SHIRT

Since we were not successful on finding any one or a few shirt or jacket styles/colors that everyone liked - we have decided to offer the HPS logo to be embroidered onto item(s) provided by the individual member(s).

This way the logos will be consistently the same on all items, but each person would provide their own items. Light stitching (cream or off white) on dark colored items and dark stitching (dark navy) on light items.

If you would like to have the HPS logo embroidered onto an item or items, the cost is \$

8.50 per item. Bring your item(s) to the next meeting I will be collecting the items and the money to take to the sewing shop and will deliver your finished product at the following meeting. Will provide labels for you to write your name on and attach to your item.

Part of the money collected for the sewing will be given to HPS to help support the organization. Any questions can be directed to Judy Fleming at 539-6672 or via email at jflemin2002@yahoo.com
