In Focus

Message from the President Submitted By Chris Baker

With 2024 winding down, I want to thank my fellow HPS Officers for helping to make this year a success. In addition to our regular programs and monthly outings, we incorporated a few interactive program sessions focusing on still life and portrait shooting that were well received. For traditional film shooters, we have a film subgroup that has formed with their own meetings and activities. And, of course, many thanks to the HPS members for their participation and support. HPS is also thankful to the staff at GigaParts, Alex Hall and David Terry, for reaching out to us and providing an amazing new meeting space for us. It's been a mutually beneficial partnership and we look forward to working with the GigaParts team in the future. I hope everyone has a safe and wonderful holiday season.

We have several new members to the HPS Board in some key positions. I want to thank them for volunteering and look forward to working with this team next year to continue to make HPS a successful organization.

Workshops and Outings By Philip Flowers – Workshop Chairman

There are no more workshops or outings planned for the remainder of the year. But 2025 promises to be very busy. On January 18th we will have an outing to Wheeler Wildlife Refuge. This is a great opportunity to photograph the thousands of Sandhill Cranes that will be there on their migration. On February 22nd we will have a portrait/ lighting Workshop led by Eric Mittman. Then on March 15th, we will have a 4-hour Workshop on Lightroom for newbies and experienced users led by myself. So, the first three months of the year will be busy. Looking forward to it.

We learn by doing. Happy shooting.
